

Association for Machine Translation in the Americas

Membership Form

You are invited to join/renew your membership in the Association for Machine Translation in the Americas. AMTA brings together researchers, commercial developers, users, sponsors, and other individuals or institutional or corporate entities interested in machine translation for the purpose of exchanging information about this growing technology.

Among the benefits you receive as a member are free online access to the *MT Compendium*, a guide to MT systems worldwide; discounts on AMTA publications; and discounted registration for AMTA-sponsored events, including the biennial conference.
